3 Bedroom, 2.00 Bathroom, 2,742 sqft
Residential on 27 Acres

Rural, Danville, KY

A true lifestyle property: the land, the views, the privacy. This is the kind of home that will bring your kids back to stay for the weekend. When you take care of your home like these original owners have, it will last you a long time- this is the quality you're getting here. Come see the sunset on the back porch, the stars like you've never seen them before. This is the freedom you're looking for. Magnificent property that needs nothing! Hickory cabinets, real oak floors, two fireplaces - one wood, one gas. Unreal porch and deck. Boyle Schools, KU Electric, super well insulated.

Built in 2004
