Residential on 5 Acres

Rural, Crab Orchard, KY

Back on the market. Bring us an offer! Looking for a few acres to hunt or build on? This 5.36 acre property might just be what you've been looking for. Private wooded location with a creek and an old primitive cabin and outhouse. The cabin has had one wall fall, so anyone showing will need to sign a hold harmless agreement to enter. With some work, the cabin could be restored to usable condition. There's a creek that runs through the property and you need to cross the creek (no bridge) to access the cabin. Come take a look today. Drive a 4 x 4 in order to park by the road and walk along the grass path to the cabin location.
