Land - Farm/Land on 11 Acres

Rural, Versailles, KY

Conceived with an appreciation for the natural world & Bluegrass heritage, this residence provides a welcome retreat from today's busy lifestyles. Surrounded by a family farm, it ensures a private setting for outdoor pursuits & bountiful peace. Partially wooded, the 10.74 acres features an abundance of native trees & mature landscaping. Visitors appreciate the warm facade, constructed of log, clapboard, and stone, each appealingly weathered by the Bluegrass climate. The 20th century structure thoughtfully incorporates a 19th century cabin no doubt built by early Woodford County settlers. From the hand-hewn logs to the stone hearth, historic details are seamlessly unified with modern features. Sunny and well-sized living spaces boast charming, beamed ceilings. Wood Dutch doors with forged iron hardware and French doors allow light & fresh air. The inviting deck, porches & patio extend space for relaxing and entertaining, with lush views in every direction. Storage is in good supply with ample closet space and knotty wood shelving ready for collections. The attached two-car garage adds space for vehicles & equipment.
